Board Meeting Minutes

April 8, 2026, Board meeting called to order at 7:00 a.m. by President Dana Shaw

Members present: Ron Blach, Mike Newbanks, Bruce Mann, Dana Shaw, Chad Towns, Roc Rutledge, Don Brophy

Members absent:

Old Business:

- With the breakdown of the cost of past email accounts and knowing we would have to contact several different companies to change our email addresses, the board decided to keep the emails as they are. Don Brophy made the motion to keep the emails with GoDaddy and Mike Newbanks seconded the motion. The motion was voted on and approved to keep the emails as they are.

New Business:

- The meeting minutes from March 12, 2026, were read. Bruce Mann made a motion to approve the minutes as written, which was seconded by Ron Blach. The motion was voted on and approved, confirming acceptance of the minutes as presented.
- The March payables, which were paid in April, were reviewed and discussed. Don Brophy moved accepting these payables, and Mike Newbanks seconded the motion. The board voted and approved payments for the March payables.
- Prairie Dogs are done until October 1, 2026. We are getting calls to add names to the list that was started on October 1, 2025. We now have 35 names on the list with old and new customers.
- Spraying could start either at the end of this week or next week. Mike has been driving around and looking at the roadsides and has noticed that there are some bindweed, kochia and knapweed.
- May 4, 2026, will be the start of the 2025 YCPCD Audit. They usually send an email out on the prior Friday with a list of items they need to start looking at before they get into any specifics.

Other Business:

- Mike Foor is looking for a trailer that we could use to store the empty 2.5-gallon jugs from the chemicals. We received more 2.5-gallon jugs than normal because they didn't have enough chemical to fill the totes. The board mentioned that we should call the land fill and see if we could use one of their cardboard trailers for the season.

Dana Shaw adjourned the meeting at 7:19 a.m.

Meeting Recorded by Renee Goeglein

Next meeting will be held on May 13, 2026. The meeting will be a conference call at 7:00 am.
